

Accommodation suggestions for Retreat participants.

- North Walk House, Lynton. Two self-catering apartments and one B&B room allow dogs. I can personally vouch for this one, as we stayed there for all our holidays for 7 years!

I recommend you phone Ian and Sarah up to enquire about bookings and mention Ali to get a discount.

- Use the Visit Lynton and Lynmouth website and check the 'Dog Friendly' box to find lovely local self-catering and B&B accommodation. There is lots of useful info on this site, kept up to date by Victoria and you can even call her for advice if you need it. Please let people know you used this website to find them.

- Lots of self-catering choice locally with Marsden's. You can find cottages of various sizes and even use how many dogs they'll allow in your search criteria.

- The Staghunters' Inn is 10 minutes drive away in Brendon, has dog-friendly B&B rooms, a home-cooked menu and a riverside walk around the corner.
